your Future

## DreamSpace TV: Episode Two

### Student Activity Sheet

Name: \_\_\_\_\_

Date: \_\_\_\_\_

### *DO*

- Create your own board game and make sure it includes at least three conditional statements, this can be done at home or in school
- Be sure to:
  1. Plan your game first on the previous page. Make sure there is a story to your game and how it works.
  2. Write down the rules of the game
- Once your game is done, have some fun by testing it with your family at home.

### *REVIEW*

1. What worked well with your game?

---

---

2. When you played your game, what did you notice that could be improved on?

---

---

3. What extra elements (including conditions) could you add to improve the game?

---

---

---
