### Information about the endangered animal that I picked

The population  
of this species is

\_\_\_\_\_

The animal is  
Omnivore  
Herbivore  
Carnivore

Three fun facts about the animal

- \_\_\_\_\_
- \_\_\_\_\_
- \_\_\_\_\_

This species is  
commonly  
found in

\_\_\_\_\_

Name: \_\_\_\_\_

Date: \_\_\_\_\_

## Explore and construct different 3D shapes.

Have a look at the animal you just created can you name the different 2D and 3D shapes that were required in order to build you animal?
