

LeBron James

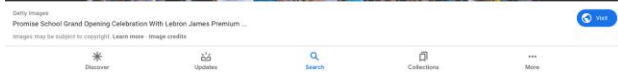

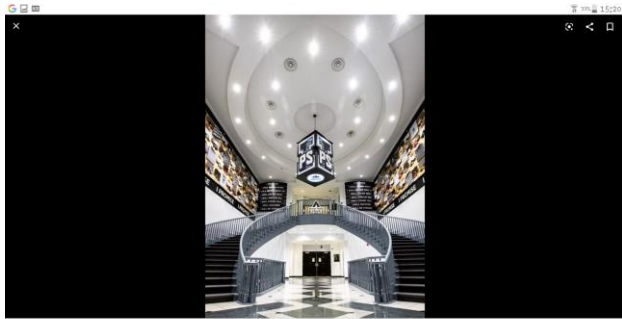

LeBron was born in Akron Ohio on December 30th 1984 with his brother Aaron and his sister who tragically died.

His mother was 16 when he was born and his father was an ex convict. He was uninterested in being a parent and left.

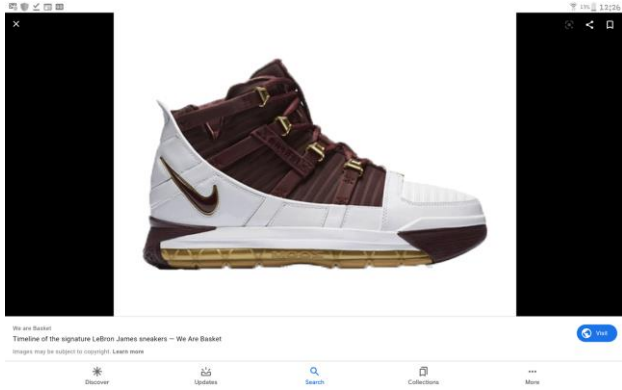

LeBron lived most of his life in a car.

LeBron was drafted in 2003 to Cleveland Cavaliers he now plays for La Lakers.
He was drafted in round 1 pick 1.

LeBron funded a public school it is going to be fully operational in 2022 called I Promise School (IPS)

LeBron James has a net worth at around 92 million us dollars but in 2018 it was 450 million . LeBron has come along way from living in a car to owning a huge mansion and his own type of basketball shoes.

LeBron has played 1258 NBA games this may seem like a lot but he is coming to the end of his career. But has actually achieved a lot. I will show you his 2019 stats and also about him in the picture.

The image is a screenshot of a Wikipedia article for LeBron James. On the right side, there is a photograph of LeBron James in a yellow Cleveland Cavaliers jersey with the number 23, holding a basketball. The name "LeBron James" is written in yellow above the photo. On the left side, there is a list of bullet points providing biographical and career information. At the bottom of the article, there is a navigation bar with icons for Discover, Updates, Search, Collections, and More.
